THE 2018 BUSINESS INNOVATION AND INCUBATION FORUM

Building Tech, Innovation & Economic Networks

This year's forum will be hosted by our very successful member Canberra Innovation Network.

The Canberra Innovation Network (CIN) was launched in November 2014 and to date houses and collaborates with 12 programs, has had more than 24,000 visitors, and helped more than 800 budding entrepreneurs and SMEs through its lean innovation focused education.

Details:

Commencing Wednesday 1st August with a Welcome Event as part of a CIN's First Wednesday (Canberra Business) Connect series.

Thursday 2nd and Friday 3rd of August will be a deeper more comprehensive program covering best in class incubation management strategies, technology, ideas for small innovation programs and new networking experiences.

The Annual BIIA Awards and a networking dinner will be a highlight
